

November 1, 2022

Dear Friend,

For 10 years, the Zonta Club of Kankakee has participated in the Zonta Says NO! campaign and the 16 Days of Activism to support the prevention and elimination of violence against women and girls. This year, we hope that your organization will take part in the Orange the World campaign by illuminating your building or signage with orange lights on **Friday, November 25th**.

The [16 Days of Activism against Gender-Based Violence](#) is an annual international campaign that begins on November 25th, the International Day for the Elimination of Violence against Women, and runs until December 10th, Human Rights Day. These days are coordinated by the Center for Women's Global Leadership, and the goal is to provide an opportunity for individuals and organizations everywhere to call for the prevention and elimination of gender-based violence.

The Zonta Club of Kankakee invites you to participate by lighting the exterior of your building or signage orange on Friday, November 25th. We suggest using outdoor lights that shine on your building, but any orange lighting is beneficial. By participating, you can show support directly to the women and girls in our community and promote ending gender-based violence.

Please let us know if you'll be participating, by completing the enclosed form, so we can recognize and promote your business and participation. If you have questions, want more information, or are looking to get involved further, please contact our Advocacy Committee Chairperson Kelly LaMore at kellyl03@att.net.

Thank you for your interest and support in Eliminating Violence Against Women and Girls.

Sincerely,

Zonta Club of Kankakee
